Red Deer & Chamois stalking – 01. - 20. October 2020

The areas near Quillan in the Department Aude have between 1500 – 2000 ha and offer a perfect opportunity to hunt Red Stag – Chamois and huge Wild Boar in one area. Main trophy will be Red Stag – we are hunting only during the Red Stag rut. Chamois can be hunted when you have taken the stag. There is also a good chance to get big Wild Boars. All these hunts are taking place in open / free range estates. All animals are truly wild and therefore unpredictable. Each hunter should have a certain degree of fitness and the skill to shoot up to 250 meters for the mountain hunts. There are no limits on the Red Stag and Chamois trophies, they prices are the same if you take a 8 pointer or a 16 pointer - same if you take a regular or medal Chamois trophy!

Accommodation will be in charming traditional Hotels, mostly old castles which are comfortably reformed and equipped. They are normally not more than 45 minutes away from the hunting grounds and are perfect if you are coming with your wife. They all provide the great traditional food of the region and the famous French wines.

At the time of booking, we require a 50% deposit to confirm dates. Balance shall be paid 60 days before the shooting, or at arrival if previously agreed. Please ask for an detailed and personalized proposal.
